SPRING PROGRAM GIVEN BY SOUTH SIDE PUPILS

Pleasing Function in Which All Grades Participate Held Thursday.

The regular spring program given by the pupils of the south side school was held Thursday afternoon, and was a most interesting and enjoyable function. Each room had a separate program consisting of recitations, songs, and folk dances. Many of the parents of the pupils attended. The program was in charge of the teachers of the school, and the work of their pupils reflected much credit on their painstaking work. Following are their names: Miss Dearborn, sixth grade; Miss Farlow, fifth; Miss Zielen Miller, fourth; Miss Van Wagner, third; Miss Jessie Betts, second; Miss Dalton and Miss Carrie Grimes, first; Miss Turner, kindergarten.

After the exercises the recently organized patron-teachers club met and transacted some business. This was followed by a paper read by Mrs. John Jordan on "How School Can Help the Home." Miss Beth Bingham also gave a paper on, "How Home Can Help the School." About 36 members were present.

A SOLDIER'S OATH
WILLIAM FOX PRODUCTION

"A Soldier's Oath," with William Farnum as star, will be shown at the Temple theater today. This remarkable photoplay has been invested with unusual realism in which French and German soldiers were used. The picture graphically depicts the horrors of war, but is said to surpass other war dramas in that the continuity of the story has not been marred by a too liberal use of long, tiresome battle scenes. In realism, scenic effects and strength of appeal it surpasses any photoplay of the kind.

ARREST JACK STEWART FOR CHILD DESERTION

Former Steward of County Club Caught at Elgin, Ill.

John W. "Jack" Stewart, formerly steward at the County club, was arrested at Elgin, Ill., Thursday, by order of Chief of Police Kreiter who brought him back to stand trial on a charge of child desertion filed by his wife, Maud B. Stewart. He pleaded not guilty in city court Friday and his trial was set for Saturday. His bond was set at \$400.

Chief Kreiter went to Elgin Thursday. Stewart had been working there and waived extradition. He will be remembered as steward at the country club when that place was raided and a blind tiger was found in full operation. He was given a fine of \$100 and costs for operating the tiger when arraigned.

While Stewart was in charge of the County club his wife filed suit, in June, 1915, in the superior court, for separate maintenance, and Stewart was ordered not to remove any of his property from the county until the close of the trial. He disobeyed, however, and took vulgarizing tools and an automobile to Elgin, Ill., where he has been living ever since.

Mrs. Stewart charges that since January Stewart has not contributed toward the support of their two-year-old daughter, Evelyn. Ruth Stewart, Mrs. Stewart also says that her husband has been living with another woman in Elgin, and that this woman is the one, she claims, lived with Stewart as his wife at the County club here.

Isaac Kane Parks is attorney for Mrs. Stewart and will assist Deputy Prosecutor James Hennessey in the case, while Stewart has retained George W. Sands of South Bend, as attorney.

NICHOLAS ECKSTEIN IS SINKING RAPIDLY

The condition of Nicholas Eckstein, proprietor of the Milburn hotel, who was taken to St. Joseph hospital Thursday, is critical and his death is feared at any time. He lapsed into unconsciousness at 4 o'clock Friday morning, and at the hospital it was said he was sinking. A consultation was held by the physicians Friday morning.

Mr. Eckstein has been ailing for some days from an attack of the grip, and is also suffering from diabetes. His brother Peter, proprietor of the Nickel hotel, South Bend, and his wife, to whom he was married only last October, are at the bedside.

BOYS STEAL TOYS IN LOCAL STORES

Charles Dakon, 12 years old, and his little brother, eight years old, were arrested Friday morning on complaint of Deyo's and Tripp's Five and Ten Cent stores, who charged the boys with stealing various articles.

When searched at the station the lads had several baseballs, knives, marbles and other little articles. They were also in possession of a baseball glove. The boys were not held for trial as Chief Kreiter will put their case before Juvenile Officer Miller for consideration. Charles Dakon has been in trouble before on a similar charge.

CHURCH DISTURBER IS GIVEN SUSPENDED FINE

William H. Emmons, arrested Thursday night when he insisted on disturbing the preacher at the Church of God meeting hall on Second st., pleaded not guilty when arraigned in city court Friday morning.

Later, after a talk with Prosecutor Hennessey and Judge Feig, he changed his plea to guilty and the judge gave him a suspended sentence on his promise to be good and let "red licker" alone. Emmons is employed at the Ball Band plant and has a wife and four children dependent on him. It was on their account he decided not to stand trial and to throw himself on the mercy of the court.

Harley Bixby, "ex-lawyer" who has practiced in South Bend, Indianapolis, Chicago, Hammond and sundry Michigan small towns, was up before the judge on a charge of intoxication. He asked for a little talk with the judge and his story was pathetic and so well presented that Judge Feig dismissed the case against him. His quaint humor and his facility for forgetting places where he had practiced, caused the spectators a merriment of laughter.

TEACHER ENTERTAINS THE MOTHERS' CLASS

The Mothers' class of the Methodist Memorial church met at the home of their teacher, Mrs. Crist, 1443 E. Fourth st., Thursday afternoon. A short business session was held during which plans to raise money were discussed. A program consisting of songs and readings was in charge of Mrs. Boost.

A social hour followed, refreshments were served by Mrs. Stone. The class will hold its next meeting with Mrs. Reinhold, Lincoln way E.

GEORGE PYKE DRAWS REFORM SCHOOL TERM

Boy Who Rifled Gas Meters Given Sentence by Judge Funk.

George Pyke, 15-year-old boy, who was arrested Monday night on the charge of stealing a bicycle from Leonard Schultz, a newsboy, was sentenced to the Indiana boys' school at Plainfield, Ind., Friday by Judge Funk in the circuit court.

How long Pyke stays there depends on himself, as the parole system in vogue at the school permits a boy to obtain a release for good behavior any time after six months.

When arrested Pyke pleaded guilty to rifling quarter meters in empty houses and as he had been in trouble several times before the reform school sentence was thought best.

Metro Program.

"Black Bear," a remarkable live-action feature of the Metro program, will be the attraction at the Lincoln theater tonight. This sensational feature contains an all-star cast, headed by Grace Ehlston, of "The Lion and the Mouse" fame, and including Grace Valentine, Edward Brennan, Paul Everett, Mayme Kelso, John Tansey, the boy actor, and other notable screen and stage artists. The story is strikingly novel, and deals with the fast growing cocaine habit in New York and in other large cities. The subject is treated in a masterly fashion without offering the slightest ground for even the most extreme moralist's objections, and there is a beautiful love story interwoven throughout the whole production.

Easter Lilies Bloom.

There is on bloom in the window of the Mutschler buffet, 115 N. Main st., two Easter lilies which have been in the same spot for the past 25 years, and have not once failed to blossom forth at Easter time. One is a dark red and the other of a lighter hue. These plants are of a remarkably healthy variety and exceptionally pretty. They have been in possession of the Mutschler family for 28 years, and were the pride of Charles Mutschler's mother until her death.

Four weeks ago Mr. Hughtitt was persuaded to take his first vacation in 20 years. With Mrs. Hughtitt he went to the Pacific coast. Tiring of idleness after a few weeks he engaged a special train to bring him back to his desk—and he came at the rate of 55 miles an hour most of the way.
